

NAMUN'21

IOC

NAMUN's 10th anniversary started off with an opening ceremony that had multiple speakers including but not limited to Nesibe Aydın, Saadet Roach, Şemsettin Beer and the Defense Attache of the Spanish Embassy, Angel Sevilliano Gueipo de Llano. After the ceremony there was a coffee break so that the delegates could get to know each other. In this break some people played soulmate. Once the break was over, we started our first session, which was used as a fun session to allow the delegates to become more familiar with the setting and each other. The rules of procedure were explained during this session as well. During the next session, opening speeches were read and finished. The agenda item was set to illegal doping usage during/before the Olympics. A
