

NAMUN'21

NATO 2

Conference started with opening ceremony with NAMUN's team video in the continuation speakers Lara Irmak Korkmaz and Mustafa Arda Teker's presentations. Nesibe Aydın ,who is founder of Nesibe Aydın Schools , gave a speech after speakers introduction. She mentioned that in NAMUN21' there are 7 different committees, approximately 610 delegates. Then Academic Director Saadet Roach made a speech. There is a significant video introduction of each committees prepared by İlke Gökçe. After Business Development Manager Şemsettin Beşer , one of the founder of Nesibe Aydın MUN , made a speech . Angel Sevillano Queipo de Llano, Defence Attache of Spain , made a valuable speech it is related to NATO , Afghanistan , international terrorism. After that we watched the enjoyable working progress video. Our Director General Bahar Elif Bülbül and General Secretary İdil Yüzbaşıoğlu , who contributed to most to this conference, gave speeches. They thanked to friends and advisor and introduced whole team members. In this way opening ceremony was finished.

After a coffee break , our first session started at 18.55 with roll call. Apperently eighteen country attended. Countries made their opening speeches. After the opening speeches general speaker list started with Italy followed by Spain , Norway , Hungary and Greece; thus first session is

Second session started with USA speech after the roll call. Then Norway gave a motion that discussing USA role in the collapse of Afghanistan ; but there are 5 second and 9 objections so motion was failed. USA gave a motion that possible causes of the insufficient progress in approaching of the Afghanistan conflict , motion was passed. USA was a first speaker then some countries spoke too , for fifteen minutes . Canada agree with Greece and Spain, Norway and France spoke with to against to USA .

motio

After than France gave general speak , Italy gave a motion that 9/11 attacks and the fall of Taliban ; motion was failed . Greece gave a motion that possible solution regarding the current situation in Afghanistan ; motion was passed and Greece started to this motion.

Hungary supported to Norway, this time France agree with USA . Belgium mentioned that we should apply different progress some challenge Taliban commitment human rights , provide security ; we encourage to NATO and also agree with France. Also France support one idea of USA , then talked about technical impossibles , no proof. Greece and Hungary think make an agreement with Taliban is not possible.

OUR INTERVIEW

Germany , represented by Tolunay Kaçmaz.
Germany has attended 6 MUNs:

Question: What made you choose NAMUN?

Answer: My prior experiences which I thoroughly enjoyed.

Question: What skills are you expecting to leave the conference with?

Answer: Being more talkative and generally understanding the concept of an MUN a lot better.

Question: How did you prepare for the conference?
How was the background research process?

Answer: I did a lot of reading of articles on the

Luxembourg , represent by Elif Deniz Göztok.
Luxembourg has attended 3 MUNs:

Question: How did you find out about NAMUN?

Answer: Since I'm studying in Nesibe Aydın High School, I heard about NAMUN at school. To be clear, one of my friends suggested joining NAMUN together.

Question: What are the ideal traits you think a delegate should have?

Answer: I believe a delegate should be calm, hardworking and solution oriented.

Misunderstandings and such chaotic events might happen while debating, delegates should not lose their temper and work on solutions rather than blaming other countries for what happened in the past.

Question: What are your expectations from MUN?

Answer: My number one expectation from an MUN conference is an optimistic and patient organizing team. A great team will turn everything into a joyful moment even if they run into troubles.
