

NAMUN'21

NATO 2

Second day and third session started with general speaker list with Germany , continue to first agenda items. Germany mentioned USA is not here today but USA is maintain country of our topic I wish we countinue our debate thoroughly, also other countries when made a general speaker list speech mentioned that too. Spain gave a motion that following actions which will be taken to maintain the security in Afghanistan and motion was passed. Spain was the first speaker.

Turkey and Bulgaria's speech was against to Greece opinion. Bulgaria mentioned Security Council. Montenegro agreed to Spain, Luxembuorg agreed to Turkey and Bulgaria also mentioned that finding diplomatic action, to need more stable solution. Germany gave a motion to expand the this motion for five minutes, motion was passed. Greece said "We do not a guarantee Taliban obey any agreement.". Upon this Spain gave a rant to Germany and say " what is your plan; ignore the problems? Also said to Greece "turn to the real!".Canada warned to Bulgaria that " It is not UN.". Greece made general speaking then floor was opened. Bulgaria's motion was passed.

Bulgaria mentioned to working together finding solution for this crucial situation. Turkey said "You speak nicely but there is no solution" to Greece.

Turkey, Bulgaria and France spoke in general speaker list then Turkey give a motion to how to

Next , crisis was happened.

Countries debated this crisis. Most countries think diplomacy is not solution, working together, providing safety.

Turkey and Luxemburg remained the Article 5th.

Norway “Afghanistan

rules, occurs

responsible for

have pay price.”

does not obey the

chaos, Afghanistan

these events; should

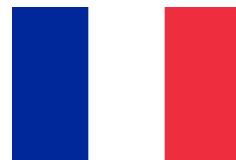

Motion to possible clauses for the unique and solution for crisis

Delegates , especially Turkey , suggested to izolation process. Economic izolation to cut the any trade with Afghanistan and diplomatic izolation. Banned for Afghanistan Limit to their

Solutions were summarized. Also there were some idea of military action and try to contact with UN.

Unmoderated caucus for thirty minutes to write communique. When the communique writing was finished Turkey represent the communique. Meeting was suspended. Fifth session started with approval of communique. Delegates started the second agenda item: NATO's Lack of Strategic Coordination. Delegates spoke about USA involment to Europe defenses , stated of Presedent Macron , NATO's effects on security , make a good cooperation in their general speaker list speeches'.

Germany gave a motion to discussing US's part involvement in European defenses and other parts.

Spain USA important to worldwide peace and security , we should support to each other. Norway mentioned that they close to USA about

k

General speaker was continued with  
Francis, was your first German of the committee? Why  
Did you think it? ... motion but their motions  
2- Basically being in MUN is one of the few  
3- The Turkey was my first pick because it is simply  
things that make me happy. Its just so much  
more exciting for me than any other  
fun to learn about issues that you wouldn't  
committees in this conference  
consider in normal life. In MUN you don't just  
countries, the complexity NATO, you're finding  
4- Are you happy with your committee? If not,  
how does USA contribute to it? Everyres MUN  
which one would you rather be in? Why?  
Prosthor delegates against the Turkey points as  
4- I am satisfied with my current committee and  
its not directly related to agenda item. Also.  
Would not have wished for any other  
Spain want to Greece detail to their idea.  
like 9/11 (which was ves specialy hard for me)  
Greece repeated that they have need to  
and last bit, not least be take solutions to  
strategy concept we do not forget to 9/11  
specific problems  
attack we had to struggle with this attack. Also  
Iceland mentioned providing security defenses  
Norway mentioned that for essential world  
building mechanism for years. Motion was  
peace security and democracy should have to  
suspended and meeting was finished.  
3- Involvement, more than you work  
Greece represented by Burch Melissa  
Spain agreed with Turkey and Germany but  
1- Now many from experience you have  
wise, most important thing is to improve  
I have about a GA committee experiences.  
after your failures and to see that each  
this conference was my first special committee.  
profession needs time. (in my first conference I  
3- What are your thoughts on NAMUN so far?  
2- I can tell us about your perspective on  
2- NAMUN has surprised me in its quality but  
I think I've a question about NATO's Middle  
considering its legacy of continuing for 10 years I  
Hosted people happy, they was failed, they will have  
which one would you rather be in? Why?  
4- Its my first special committee and when all  
special committees are like that I will only
