

NAMUN'21

NATO 2

Third day eighth session started with general speaker list to Germany's speech followed by Spain , Greece , Iceland. All countries mentioned that They should work on second communique.

France , Germany and Greece summarized their ideas.

Iceland give unmoderated caucus for communique. Delegates started to write second communique. After the time was up Spain gave a motion to detail the communique. Spain , France , Latvia , Greece stated their opinions.

Delegates finished to writing second communique. In general speaker list speeches France , Norway , Germany, Greece , Canada , Iceland suggested to start third agenda item which is solving NATO's arctic debate. Before that communique was readed and voted. All delegates in conference accept the communique. Second comunique was passed , Germany thanked to all delegates. General speeches continued with third agenda item. Countries thought arctic region is very important and NATO has good position . also

Iceland mentioned some areas like Canada , Denmark , Russia have economic and strategic power on this topic.

Delegates averted dividing progress , rational wastes in arctic sea , climate change , Russia's location , taking precautions.

“Clear communication is very important , not necessary to NATO speak any negative effects.”.

Spain mentioned that resource should be used without any harmful effect. Greece stated Russia program is harmful to environment.

Canada , Montenegro , Greece , Spain made general speech. France gave a motion to discuss possible solution for arctic debate. The thoughts of the countries are in the direction of cooperation. Greece thinks to need diplomatic solution not military. When France spoke in general speaker list suggested to write communique. There was crisis!

All of the delegates was against to Russia and support the Norway. Norway indicated article five and said “Attack all of NATO , not just Norway.”.

Germany gave a motion to discuss what topics should be mentioned in the final communique. Delegates outlined to their idea.

After the finish to writing third communique delegates congratulated and thanked to each other. Communique was voted and accepted by all delegates. Then third communique was passed too. And meeting was adjourned! After a little break Closing ceremony is started. Speakers started to presentations . Academic Director Saadet Roach gave her meaningful speech. Next there was a video by Anıl İpekçi. Our Director General Elif Bahar Bülbül gave her speech. After that all committees' chairs , vice chair made a little speech and gave the countries' awards. In our committee , Spain and Norway gave honorable award ; Greece and France gave outstanding award . Best delegation award went to Germany! Then

LAST DAY INTERVIEWS

France , represent by Başer Gürsoy:

Question1:How many MUN experience do you have?

Answer1:I have 12 experience in MUN.

Question2:Did you ever think you would use the tricks and trades of MUN in real life? And if so, in what ways are you finding yourself doing so?

Answer2:Yes, especially in regards to public speaking, since I started joining MUNs I found myself to be more comfortable in front of crowds. I feel that I'm now, a much better speaker, in general.

Question3:What do think we can do to improve NAMUN?

Answer3:1) The gossip box is slow and crashed often. I suggest using a better app.

2) Even though it wasn't exactly the case in NATO, but especially with last year's NAMUN, perhaps there are too many participants in committees.

Question4:Do you recommend current high school students to participate in MUN?

Answer4:Yes, of course.
